Favorable consideration of this application is respectfully requested. Applicant has canceled claims 26-29. Favorable reconsideration of this application is, consequently, earnestly solicited in view of the following remarks. Applicant gratefully appreciates the examiner's indication that claims 1, 2, 4, 5, 7, 8, 10, 11, 13, 14, 16, 17 have been allowed.

Claims 26-29 were rejected under sec. 103 as being unpatentable by Admitted Prior Art in view of Krocger '249. This rejection is now moot since these claims are now cancelled. Applicant reserves the right to refile these claims in a divisional application.

In view of the foregoing considerations, it is respectfully urged that a notice of allowance be mailed since remaining claims 1, 2, 4, 5, 7, 8, 10, 11, 13, 14, 16, 17 have been allowed. Such action is respectfully requested. If the Examiner believes that an interview would be helpful, the Examiner is requested to contact the attorney at the below listed number.

Respectfully Submitted;
